

Air Tool Hose Assemblies

All our air tool hose assemblies are made from genuine Parker Rectus TEMA couplings and are available in the most common hose lengths and couplings profiles. The hose is our Rubber-Tech Hose which feels and looks like rubber, without the associated negative aspects.

Hose Specification:
Cover: black with red stripe
Lining: black, oil resistant
Braid: high tensile polyester yarn
Safety Factor: 3:1

- High abrasion resistance
- Resistant to most oil and fuel
- Resistant to permanent kinks
- Excellent ozone resistance, making it suitable for outdoor applications
- Smooth bore ensures highest possible flow.

Rubber Hose Assemblies

Rectus 19 Series Hose Assemblies

5040	L mtrs	ID mm	£
