

Contractors Hose

Page Tech Sheet 10260

Un-Reinforced PVC Hose

Standard Coil Lengths : 75 Metres

For delivering water at tap pressure.

- Low cost alternative
- Used extensively on construction sites
- Bespoke lengths available

Colour: Black

No recommended working or burst pressures due to the hose being un-reinforced.

Manufactured from a high quality PVC compound this un-reinforced hose is an excellent hose solution with great flexibility, ideal for conveying fluids, gases, granules and powders at low pressure.

- Excellent abrasion resistance
- Durable
- Resistant to a wide range of chemicals
- Flexible
- Excellent UV resistance

Working Temperature:
-10°C to +60°C
