

# Shot Blast Couplings, Hose & Nozzle Holders

## Thread Stem Adaptors

Thread stem adaptors – to adapt your standard threaded stainless steel camlocks to plain stem types, for use with KSA range of clamps.

Part Code	Clamp Size
LUE-GTI 20-50 SS	KSA-63-67
LUE-GTI 30-75 SS	KSA-89-93

### Female

0019	To Suit Hose I.D.		£
LUE-GTI 20-50 SS	50 x 8 (2")	2"	113.75
LUE-GTI 30-75 SS	75 x 8 (3")	3"	198.05

## KSA Safety Clamps

Forged aluminium safety clamps, high quality and robust, easy to install and re-usable.

0019	To Suit Hose O.D.	£
LUE-KSA 36-39	36-39	32.85
LUE-KSA 63-67	63-67	45.45

## Shot Blast Hose

Reinforcement: Textile wrapped.

Tube: NR/SBR/BR, Black smooth, antistatic abrasion resistant.

Cover: SBR, black, smooth, anti-static cloth impression.

Working Temperature: -35°C to +80°C (ambient temperature)

Suitable for blasting sand and other media such as quartz sand, steel shot, corundum, glass, etc. The hose has added security against electrical shocks by electrically-conductive lining.
