

# Inspection/Detection

## Leak Detector

Spray on gaseous pipes and joins to identify leaks. Ideal for preventative maintenance checks, new installation checks, and on all HVAC systems. Water-based formulation, no oils, silicones or harmful solvents; no 'run off' hazard, non-flammable and completely odourless.

- 400ml are aerosols
- 5 Litre are bulk tubs

Tech Sheet  
20690

### Water Based

0229		£
6190019000	400ml	8.10
6330051005	5 Ltrs	57.40

## Flaw Detectors, Cleaner, Penetrant & Developer

Use as a highly accurate check for weld quality. Ideal for use on military vehicle repair, boiler maintenance, and storage tank fabrication.

Fast acting visual results.

Highly effective system that can be used anywhere, simply, and without complicated test equipment.

Can be applied direct to the component to be tested without the need for dismantling the equipment.

Tech Sheet  
20692

### Dye Penetrant Non-destructive Testing System

0229			£
6190005600	400	Part 1 - Cleaner	11.40
6190006510	400	Part 2 - Penetrant	14.75
6190007510	400	Part 3 - Developer	14.60

# Welding

## Spatter Release

Traditional, non-flammable, solvent based spatter release formulation.

Prevents spatter adhesion on welding equipment, work pieces, surfaces, jigs and surrounding areas.

Tech Sheet  
20693

### Non-Flammable Weld Anti-spatter

0229		£
6190004150	400	4.75

## Bioweld

A water-based spatter release agent which gives exceptional results without the use of harmful solvents, silicones or mineral oils. Allows post welding operations, painting, plating, galvanising etc to be undertaken without interference.

Contains a rust inhibiting agent.

Tech Sheet  
20694

### Water Based Anti-spatter

0229		£
6190004600	400	6.10

## Easy Weld

Easy Weld provides a quick, easy way to prevent adherence of spatter to metal surfaces, and eliminates the need for chiselling, grinding or wire brushing after welding.

A workshop spatter release based on biodegradable oil.

Tech Sheet  
20695

### Biodegradable Spatter Release

0229		£
6190004650	400	5.65
