

Automatic Lubricant Dispensers

Page Tech Sheet60408

Multi-point Jack Luber™ Series

The Jack Luber is the most versatile product in the ATS product range. It has a replaceable grease cartridge that takes seconds to change, without the use of any tools. The Jack Luber is capable of producing 200 psi, providing enough power to drive lubricant through long feed lines. When a dispensing cycle is selected, the Jack Luber will activate at programmed intervals. During each cycle, it will dispense approximately 0.5cc of grease. Neither temperature nor altitude will affect the lubricant output.

Features

- Powerful, motor-driven lubricator
- Fully self-contained with replaceable battery pack
- Replaceable cartridge filled with customer-specified lubricant
- Available in two sizes: 125cc or 250cc
- Multiple settings to empty from 15 days to 2 years
- LEDs to indicate correct operation, low battery and low temperature
- Capable of servicing single-point applications up to 20ft (6m) away
- Optional remote power/remote control versions available
- Suitable for indoor and outdoor use

Advantages

- Economical automatic lubricator: 17 bar multi-point economy
- Refillable cartridges take seconds to change
- Wide temperature range
- Feed up to 12 lube points from one unit
- Remote mounting by up to 6m
- Fill with any brand of grease or oil

Working Temperature:
-40°C to +60°C

Maximum Working Pressure:
17 bar

Motor-driven Jackscrew Lubricant Dispenser, Multipurpose Grease EP2

0483		Capacity	Operation	£
JS-125-MP	1/4"	125cc	15 Days to 24 Months	167.00
JS-250-MP	1/4"	250cc	15 Days to 24 Months	179.50

Motor-driven Jackscrew Lubricant Dispenser, Food Grade Grease

0483		Capacity	Operation	£
JS-125-FG	1/4"	125cc	15 Days to 24 Months	169.00
JS-250-FG	1/4"	250cc	15 Days to 24 Months	183.50

Motor-driven Jackscrew Lubricant Dispenser, High Temperature Grease

0483		Capacity	Operation	£
JS-125-HT	1/4"	125cc	15 Days to 24 Months	169.25
JS-250-HT	1/4"	250cc	15 Days to 24 Months	184.00

Motor-driven Jackscrew Lubricant Dispenser, High Pressure Grease

0483		Capacity	Operation	£
JS-125-HP	1/4"	125cc	15 Days to 24 Months	169.00
JS-250-HP	1/4"	250cc	15 Days to 24 Months	183.50
