

SANHA[®]

NiroSan[®] Stainless Steel Press Fit Piping System

NiroSan[®] press system fittings and NiroSan[®] system pipes in stainless steel with tool compatibility, leak path feature and 'push and stay' function.

Stainless steel systems from SANHA can be used universally. The various NiroSan[®] pipes and NiroSan[®] press system fittings can be combined with each other, making them particularly user friendly.

Series 9000, 90° Elbows

Female x Male Plain End
